GUIDELINES ON THE IMPLEMENTATION OF BOTTOM-UP-BUDGETING PROJECTS

I. Rationale

1. The Department of Education is one of the participating agencies in the implementation of Bottom-Up-Budgeting (BuB) Process of the current administration since FY 2013. As such, DepEd is mandated to review and incorporate the project proposals from Local Poverty Reduction Action Teams (LPRATs) to the Agency budget, and to implement the projects, if feasible. These project proposals were formulated by LPRATs with strong participation of Civil Society Organizations (CSOs) and Basic Sectors from their localities.

2. In view of the above, this Order aims to establish guidelines on the implementation of projects under FY 2014 and FY 2015 BuB Projects. The procedures herewith shall guide the DepEd and its stakeholders relative to the availment, implementation, monitoring, and reporting of BuB projects.

II. Scope of the Policy

3. This DepEd Order covers the implementation of FY 2014 and FY 2015 BuB projects as indicated below and reflected in **Attachment 1**:

Table 1: FY 2014 and FY 2015 BuB Projects

BuB Projects	Fiscal Year	Remarks
a. Hiring of ALS literacy volunteers	2014	includes replacement projects for ineligible BuB projects
b. Construction of water and sanitation facility (WatSan)	2014	
c. Construction of Community Learning Center	2014	
d. Gulayan sa paaralan	2014 and 2015	
e. Classroom repair	2014 and 2015	
f. School furniture (seat)	2014 and 2015	
g. Innovative program	2015	

4. In addition, this will also cover the process for availment and implementation of "Supplemental School MOOE" in lieu of the ineligible BuB projects under FY 2014 and projects classified as Basic Education Facilities under FY 2015. Procedures on the availment of LGUs and implementation of the said projects are discussed in sections 8, 9 and 12.

III. Definition of Terms

FY 2015 BuB Projects – projects that comprise the 2015 menu of DepEd in JMC no. 4, these are Gulayan sa Paaralan Project(GPP), Repair of classroom, Provision of school furniture (seat), and Innovative Programs.

Implementing Office – refers to the office Central Office (CO), Regional Office (RO), Schools Division Office (SDO), and school) or unit within the Department that will implement the BuB projects.

Ineligible BuB Projects – proposed projects under FY 2014 that cannot be implemented by the Department; such as Innovative Programs, School-based

Feeding Program, and other outside-the-mandate projects.

Innovative Programs – any project that promotes access to education such as programs for street children, children in conflict areas, children with special needs, children in IP communities and other out of school youth (expansion of the Open High School program).

Supplemental School MOOE – this is the new menu identified in exchange for the ineligible BuB projects under FY 2014. This supplemental school MOOE is intended to augment the regular school MOOE of the public elementary and secondary schools.

FY 2014 BuB Projects - projects that form part of the eligible projects for the 2014 BuB implementation that were not implemented due to technical and procedural delays such as repair of classrooms, construction of Water and Sanitation facilities. This also includes the hiring of ALS literacy volunteers and Gulayan sa Paaralan Project (GPP) as replacement projects.

IV. Policy Statement
