 No. **51**, s. 2015

**GUIDELINES ON THE IMPLEMENTATION OF THE SENIOR HIGH SCHOOL (SHS) PROGRAM
 IN EXISTING PUBLIC JUNIOR HIGH SCHOOLS (JHSs) AND INTEGRATED SCHOOLS (ISs),
 ESTABLISHMENT OF STAND-ALONE PUBLIC SHSs, AND CONVERSION
 OF EXISTING PUBLIC ELEMENTARY AND JHSs INTO
 STAND-ALONE SHSs**

To: Undersecretaries
 Assistant Secretaries
 Bureau Directors
 Directors of Services, Centers and Heads of Units
 Regional Directors
 Schools Division Superintendents
 Heads, Public and Private Elementary and Secondary Schools
 All Others Concerned

1. The Department of Education (DepEd) issues the enclosed **Guidelines on the Implementation of the Senior High School (SHS) Program in Existing Public Junior High Schools (JHSs) and Integrated Schools (ISs), Establishment of Stand-Alone Public SHSs, and Conversion of Existing Public Elementary and JHSs Into Stand-Alone SHSs**.
2. These guidelines include the systems and procedures, as well as standards and criteria listed below, regardless of Track and Strand offering:
 - a. Implementation of the SHS Program in existing JHSs or ISs nationwide, under the control and supervision of the DepEd;
 - b. Establishment of stand-alone SHSs; and
 - c. Conversion of existing public elementary and high schools into stand-alone SHSs.
3. The systems and procedures, including the standards and criteria set therein, shall be used as a guide by the DepEd central and field offices/units, as well as the DepEd's external stakeholders to ensure that SHSs to be established are in accordance with DepEd quality standards to enhance the delivery of basic education.
4. All provisions of DepEd rules, regulations, and issuances, which are inconsistent with these guidelines are hereby repealed or modified accordingly.
5. This Order shall take effect within 15 days after its publication in the Official Gazette or in two newspapers of official circulation.
6. Immediate dissemination of and strict compliance with this Order is directed.

GUIDELINES ON THE IMPLEMENTATION OF THE SENIOR HIGH SCHOOL PROGRAM IN EXISTING PUBLIC JUNIOR HIGH SCHOOLS AND INTEGRATED SCHOOLS, ESTABLISHMENT OF STAND-ALONE PUBLIC SENIOR HIGH SCHOOLS AND CONVERSION OF EXISTING PUBLIC ELEMENTARY AND JUNIOR HIGH SCHOOLS INTO STAND-ALONE SENIOR HIGH SCHOOLS

I. RATIONALE

On May 15, 2013, President Benigno S. Aquino, Jr. signed Republic Act No. 10533, the Enhanced Basic Education Act of 2013 ("K to 12 Program"). Section 2 of the law declares that "every graduate of basic education shall be an empowered individual who has learned, through a program that is rooted on sound educational principles and geared towards excellence, the foundations for learning throughout life, the competence to engage in work and be productive, the ability to coexist in fruitful harmony with local and global communities, the capability to engage in autonomous, creative, and critical thinking, and the capacity and willingness to transform others and one's self." With the formal launching of this landmark reform policy, the Department of Education (DepED) was given fresh mandate to continue developing a functional and relevant basic education system that will develop graduates who are ready for work, entrepreneurship, middle level skills development, and higher education.

The addition of two (2) years to the basic education cycle is one of the hallmarks of the K to 12 Program and the Senior High School (SHS) curriculum is the main policy tool that will serve as blueprint for program implementation. The successful implementation of Grades 11 and 12 or the Senior High School (SHS) of the K-12 Program signals the complete shift to the DepED's new educational system (K to 12). Towards this end, the DepED needs to formulate standards and uniform policy guidelines on the implementation of the SHS Program in existing Junior High Schools (JHSs) or Integrated Schools (ISs), establishment of stand-alone SHSs and conversion of existing public Elementary and JHSs into stand-alone SHSs in basic education. It is expected that these policy guidelines shall ensure an efficient, streamlined, and synchronized process of establishing a nationwide SHS Program.

II. LEGAL BASES

The formulation of these policy guidelines is guided, among others, by the following laws, rules and regulations:

1. **Republic Act (RA) No. 10533 otherwise known as "Enhanced Basic Education Act of 2013" and its Implementing Rules and Regulations (IRR).** Section 30 (Implementation Mechanisms and Strategies) of the Implementing Rules and Regulations (IRR) of RA 10533 states that: **"Pursuant to Section 12 of the Act, the DepED, CHED and TESDA shall**

formulate the appropriate strategies and mechanisms needed to ensure smooth transition from the existing ten (10) years basic education cycle to the enhanced basic education program. The strategies may cover, among others, changes in physical infrastructure, human resource, organizational and structural concerns, bridging models linking secondary education competencies and the entry requirements of new tertiary curricula, and partnerships between the government and other entities.

2. **RA No. 9155 otherwise known as the “Governance of Basic Education Act of 2001” particularly on the following:**

- a. Section 3, which stipulates that one of said Act’s purposes and objectives is to establish schools as facilities where schoolchildren are able to learn a range of core competencies prescribed for elementary and high school education programs;
- b. Section 7(A), which states that “In addition to the powers of the Secretary of DepED under existing laws, he/she shall have authority, accountability, and responsibility to formulate national educational policies and promulgate national educational standards;”
- c. Section 7(B), which mandates that “the Regional Director shall have authority, accountability and responsibility for . . . approving the establishment of public . . . elementary and high schools and learning centers;” and
- d. Section 10, which states in part that “The Secretary of the Department of Education shall ensure that resources appropriated for the field offices are adequate and that resources for school personnel, school desks and textbooks, and other instructional materials intended are allocated directly and released immediately by the Department of Budget and Management (DBM) to said offices.”

3. **DepED Order No. 40, s. 2014 entitled “Revised Guidelines on the Establishment, Merging, Conversion and Naming/Renaming of Public Schools, and Separation of Public School Annex in Basic Education.”**

Part X of said revised guidelines states that: “Consistent with Republic Act No. 10533, the Department shall issue a separate DepED Order enumerating the guidelines on the establishment of a ‘stand-alone’ Senior High School, or the expansion of an existing high school to offer Senior High School.

III. SCOPE AND APPLICATION

These guidelines shall apply to the following:

1. Implementation of the SHS Program in existing JHSs or ISs nationwide, under the control and supervision of the DepED;
2. Establishment of stand-alone SHSs; and
3. Conversion of existing public elementary and high schools into stand-alone SHSs.

Schools nominated for the nationwide implementation of SHS starting SY 2016-2017, due to exigencies of SHS implementation timeline, may be exempt from the Procedural Guidelines in Part VI.B herein, provided however, that said schools satisfy the criteria in Part VI.A. Provided further, that the DepED Central Office or pertinent DepED RO reserve the right to review the nomination/selection of all or any of the subject schools.

These guidelines also include systems and processes, as well as standards and criteria, for establishing or implementing the SHS Program regardless of Track and Strand offering.

IV. DEFINITION OF TERMS

For purposes of these guidelines, the terms or phrases used shall mean or be understood as follows:

1. **Establishment of a Stand-alone SHS** is the process of initiating, instituting, organizing, operating, conducting and maintaining a new SHS in a barangay, municipality, city or province by administrative authority of the DepED RO.
2. **Conversion of School(s)** as defined under Part IV.10 of DepED Order No. 40, s. 2014, is the process of changing, altering or transferring of the status, character of the curricular offerings or the administration, maintenance, supervision and conduct of a school from its present status, character, administration or management.
3. **Stand-alone SHS** is a school situated in a new site separate from a JHS or IS and has its own School Head. It can be established on a buildable space inside an elementary school or on a separate school site.
4. **Senior High School (SHS)** is the third stage of compulsory basic education. It consists of two (2) years (Grades 11 and 12) high school education

following the completion of four (4) years of JHS. The entrant age is typically sixteen (16) years old. It shall serve as a specialized upper (upper level or higher-level) secondary education. The SHS program consists of different tracks, strands and specializations that learners may choose from depending on their aptitude, interests, and school capacity.

5. **Track** refers to specific program in SHS a learner may choose based on his/her interest and aspiration. SHS has four (4) tracks, namely: 1) Academic Track; 2) Technical-Vocational-Livelihood Track; 3) Arts and Design Track; and 4) Sports Track. A track is further sub-classified into **strands**.
6. **Strand** refers to the specialized curricular offerings under a particular track.
7. **Academic Track** is designed for SHS learners who intend to pursue higher education or careers along four specific strands: 1) Accountancy, Business and Management (ABM) Strand; 2) Science, Technology, Engineering and Mathematics (STEM) Strand; 3) Humanities and Social Sciences (HUMSS) Strand; and 4) General Academic (GA) Strand.

The ABM Strand is for those who plan to take up business-related courses in higher education or engage in business, entrepreneurship, and other business-related careers. The STEM Strand is for SHS students who are inclined toward or have the aptitude for Math or Science or Engineering studies. The HUMSS Strand is for students who intend to pursue studies in the fields of Humanities and Social Sciences at the tertiary level. The GA Strand will be offered with subjects selected from the different academic strands. It is ideal for SHS students who have not yet decided on a particular specialization.

8. **Arts and Design Track** is designed for SHS learners who intend to pursue careers in the world of arts. This track covers a wide range of art forms: Theater, Music, Dance, Creative Writing, Visual Arts, and Media Arts. This track has three arts field specializations SHS learners may choose from depending on their inclination and aptitude. These specializations are: apprenticeship, art exhibition/performance, or production.
9. **Sports Track** is designed for students who intend to pursue sports-related careers, i.e., athlete development, fitness training, coaching and officiating.
10. **Technical-Vocational-Livelihood Track** is for SHS learners who intend to pursue careers specializing in vocational learning or technical-vocational livelihood. The Technical-Vocational-Livelihood (TVL) track has four strands: 1) Agri-Fishery Arts Strand; 2) Home Economics (HE) Strand; 3) Information and Communications Technology (ICT) Strand; and 4) Industrial Arts Strand. These are aligned with the Technology and Livelihood Education (TLE) Learning Area in Grades 7 to 10. Each TVL strand offers various specializations that may or may not have a National Certificate (NC)

equivalent from the Technical Education and Skills Development Authority (TESDA).

11. **Immersion** is the prescribed eighty-hour culminating activity each SHS student has to complete as the practical application of the skills he or she has learned from his/her chosen track/strand program, as well as a requirement for graduation. Immersion is implemented in collaboration with a business or industry-partner which provides the necessary expertise and venue for practical, on-the-job, enterprise-based training for SHS learners.
12. **Catchment Area** is the area within a one-, two- or three-kilometer radius from any existing public school in **urban, rural and remote areas**, respectively.
13. **School Classified as Urban** refers to a school located in a community which is industrialized, populated, and offers a lot of opportunities for immersion and future employment. The classification for cities and municipalities set by the Department of Interior and Local Government (DILG) and National Economic Development Authority (NEDA) shall serve as reference or guide to determine whether a school may be classified as urban under these guidelines.
14. **School Classified as Rural** refers to a school located in a predominantly agricultural or fishing community with a small number of industries and population and with limited opportunities for an Immersion Program and future employment. The classification of municipalities set by the DILG and NEDA shall serve as reference or guide to determine whether a school may be classified as rural under these guidelines.
15. **School Classified as Remote** refers to a school which is located in a typically rural and hard-to-reach community (mountain, island, or forest) with very limited opportunities for an Immersion Program and future employment.
16. **High-risk or Disaster-prone Areas** refer to hazard and no-build-zones as defined under Joint-DENR-DILG-DND-DPWH-DOST Memorandum Circular No. 2014-01. Hazard zones are the areas identified in the hazard maps as susceptible to natural hazards, such as flooding, rain-induced landslide, storm surges, earthquakes, volcanic activities, and ground subsidence. No-build-zones are the easement areas defined by the Water Code, Civil Code and the Revised Forestry Code of the Philippines.
17. **School Improvement Plan** is a strategic plan for improvement, guided by the stipulations of DepED Order 44, s. 2015 [Guidelines on the Enhanced School Improvement Planning (SIP) Process and the School Report Card (SRC)], which identifies the school's priorities, how to achieve key outcomes and targets using available resources, and raise the school's standards.

18. **Site Development Plan** is a graphic presentation that shows the implementation of all improvements that are needed for a school site, including the position of existing and proposed buildings, the arrangement of circulation elements, and the utilization of open areas, before construction of classrooms or school buildings may begin.
19. **Buildable Space** refers to a vacant land in an existing school campus deemed suitable for the construction of classroom/s of 7m x 9m each in dimension as stipulated in the DepED Educational Facilities Manual.
20. **Crucial Resources** refers to classrooms/school buildings, teaching and non-teaching positions, instructional materials, school desks/armchairs, equipment and other facilities necessary for the operation of school(s) in the delivery of basic education services to learners.

V. POLICY STATEMENT

It is the policy of the DepED to protect and promote the right of all citizens to quality basic education and to make such education accessible to all Filipino children. The Department shall, therefore, establish and maintain schools from Kindergarten to Grade 12 such that each learner shall have the right to quality basic education and that no learner shall be deprived of or discriminated against this basic human right. The Department shall likewise formulate and implement policies to guide its Implementing Units and stakeholders towards this end.

As such, every municipality shall have an SHS. As much as possible, lone public JHS or IS in a municipality shall implement SHS program or if not possible, a stand-alone SHS shall be established.

VI. PROCEDURES

A. GENERAL GUIDELINES

1. The Schools Division Offices (SDOs) nationwide shall annually identify, determine, prioritize and initiate the implementation of the SHS Program in existing JHSs and ISs, establishment of stand-alone SHSs, and conversion of existing public elementary and JHSs into stand-alone SHSs. These should also be included in the Budget Proposal of DepED to fund the crucial resources needed by the concerned SHSs on a multi-year basis (e.g. over a five-year period).
2. Prospective enrollees in the SHS tracks and strands to be offered in any school shall include Grade 10 completers of JHSs/ISs, public or private. However, although not required by law or any DepED rules and regulations,

high school graduates, passers of Philippine Educational Placement Test (PEPT), and passers of Accreditation and Equivalency (A&E) Examination for JHS Level prior to the full implementation of K to 12 Program (i.e. before SY 2016 to 2017 and SY 2017 to 2018), may also enrol in SHS.

3. The Secretary or his authorized representative(s), Regional Director (RD) or Schools Division Superintendent (SDS) and School Head shall engage in a **Partnership** with the Local Government Units (LGUs), Higher Education Institutions (HEIs), State Universities and Colleges (SUCs), Local Universities and Colleges (LUCs), Technical-Vocational Education and Training Institutions (TVETIs), private sectors/companies or industry, or other government and non-government agencies to support the implementation of the SHS Program. A Memorandum of Agreement (MOA) to this effect shall be executed by and among the Secretary or his authorized representative(s), RD or SDS and School Head and the partner individual/entity, stipulating among others, their respective roles and responsibilities, and other terms and conditions. The partnership shall include, among others, **Immersion Program**, provision of school facilities, learning resources and others.
4. The proposed operation of the SHS Program in any school may be authorized to initially start at Grade 11 then may progress to Grade 12 in the succeeding year especially in remote schools; Provided that the criteria on minimum enrolment set under these guidelines are met.
5. Processing of requests for the implementation/establishment of SHS, whether initiated by the Central, Regional or Division Offices, or any stakeholder, must be in accordance with DepED criteria and standards set under these guidelines. (Refer to Annex A for the Work Flow Process including timelines).
6. All requests shall be evaluated by the Division Review and Evaluation Committee (DREC) organized by the SDS. Favorable recommendations thereon by DREC shall be validated by the Regional Inspectorate Team (RIT) and approved by the RD. The latter shall prepare a summary list of existing JHSs and ISs that will implement the SHS Program and stand-alone SHSs to be established, indicating the budgetary requirements for Personal Services (PS), Maintenance and Other Operating Expenses (MOOE) and Capital Outlay (CO), on a multi-year basis (over a five-year period), for presentation by the RD at the National Management Committee (MANCOM) meeting. The National MANCOM shall have oversight powers in taking into consideration the equitable distribution of DepED resources, which will be the basis for the DepED Budget Proposal.
7. Budget Proposals of the RO shall be subject to confirmation by the Department Secretary through the issuance of a DepED Order, enumerating therein the JHSs and ISs that will offer the SHS Program and newly

established/converted stand-alone SHSs, with corresponding DepED School Identification (ID) Numbers.

8. A separate guidelines on partnerships has been issued under DepED Order No. 40, s. 2015 entitled, "Guidelines on K to 12 Partnerships."

A.1 On Implementation of SHS Program in Existing JHSs and ISs to Offer SHS Program

1. The authority for the implementation of the SHS Program in an existing JHS or IS shall be granted upon compliance with the criteria set under Part VI.A.1 (7) of these guidelines.
2. The Modeling Schools piloted in SY 2012-2013 and early SHS implementers in SY 2015-2016 shall continue to implement the SHS program, unless otherwise proven to have no capacity as a result of a sectoral monitoring and evaluation conducted by a composite team.
3. To avoid congestion of learners in a particular school, except for DepED NCR, Regions III and IV-A, JHS or IS with more than 3,000 enrollees for the current school year, shall NOT be authorized to implement the SHS Program, unless justified by appropriate solutions. However, the SDS, in coordination with the concerned School Head(s), shall ensure that all prospective **SHS learners shall not be displaced taking into account DepED Order No. 11, s. 2015** entitled "Policy Guidelines on the Implementation of the Senior High School (SHS) Voucher Program Under the Government Assistance to Students and Teachers in Private Education (GATSPE) Program," or with partner-entities within the community.
4. JHSs and ISs with available space/site for at least four (4) or more classrooms, whether with existing classrooms considered as excess or are still for construction, in accordance with the standards stipulated in DepED Educational Facilities Manual (i.e. 7m x 9m classroom dimension), are encouraged to apply for the implementation of the SHS Program.
5. Once the implementation of the SHS Program in an existing JHS or IS is approved by the RD, the School Head shall ensure the following:
 - a. Creation or allocation of SHS Teaching and other necessary non-teaching items in accordance with the approved Staffing Standards for Secondary Schools;
 - b. Construction of school buildings and procurement of equipment and instructional materials for SHS, if necessary;

- c. Proper implementation of the curriculum based on their program offering(s); and
 - d. Implementation of partnership agreements as articulated in the MOA forged by and among the partner individual/entities.
6. The SDO shall take into account additional classrooms to be built in the various school building programs such as the Public-Private- Partnership and other private donors in determining the need for the construction of classrooms for SHS.
 7. The criteria for the implementation of the SHS Program in existing JHSs and ISs, and the documentary requirements as shown hereunder. *(Refer to Annexes C-1 and D-1 for the Checklist and Sample Evaluation Sheet, respectively).*

CRITERIA	REQUIRED DOCUMENTS
1. The school is listed in the Enhanced Basic Education Information System (EBEIS).	DepED School ID
2. There is a need for the JHS or IS to implement SHS because: a. no other school in the division will offer the same Track/Strand within the locality; or b. there is sufficient number of learners to warrant the implementation of SHS in the school, there being no other school to accommodate said learners. However, this limitation may be waived where learners seeking admission, as the case may be, can no longer be accommodated by the existing public SHS due to congestion, as justified by the SDS.	a. Letter-request for the implementation of the SHS Program addressed to the SDS; b. Certification signed by the SDS stating that no public SHS is offering the same SHS Track within the catchment area; c. Implementation Plan for the SHS Program covering five (5) years to include among others, the following: 1. Current and projected enrolment for five (5) school years by grade level; 2. Proposed budgetary requirements for its PS, MOOE, and CO; 3. Operational Plan regarding the curriculum and the instructional supervision of the proposed SHS; and

CRITERIA	REQUIRED DOCUMENTS
	4. School Site Development Plan to include proposed school buildings, as needed. d. Justification signed by the SDS, in case the school will offer the same SHS Track.
3. The school has adequate facilities, equipment and other resources to support the operation of an SHS.	a. Certification signed by the School Head, duly attested by the SDS, on the excess classrooms, tables, chairs and other resources to be used in the implementation of the SHS Program; b. Inventory of learning resources prepared by the school's Property Custodian, as validated by the SDO; c. Updated Personal Services Itemization and Plantilla of Personnel (PSIPOP) of the concerned school; and d. Updated Status Report with regard to the school's existing crucial resources.
4. The school has available space/site for at least four (4) classrooms, whether with existing classrooms considered as excess, or the classrooms are still for construction. The classrooms built or to be built must be based on the standards as stipulated in DepED Educational Facilities Manual (i.e. 7m x 9m classroom dimension).	Map, preferably drawn to scale, showing the vacant lot where the proposed SHS classrooms/ school building are/will be constructed, duly certified by the City/Municipal Engineer.
5. The proposed SHS must have the following prospective minimum enrolment for the first two years of operation.	a. List of prospective enrollees in SHS per track and strand, indicating their names, Learner Reference Numbers (LRNs), where applicable, ages, addresses, school names and DepED

6. The track(s) and strand(s) to be offered must be aligned with the Local Development Plans, industries and learners’ interests and preferences. Track(s) and strand(s) offered in an SHS are identified and decided upon by the SDS and the Division Planning Officer, in consultation with local stakeholders and based on the direction provided by the RD and the result of their internal and external assessments.			a. List and types of establishments and industries in the community, as attested to by the Department of Trade and Industry (DTI), Department of Labor and Employment (DOLE) or the City/Municipal Planning Officer; b. Certification from the SDS that the track(s) and strand(s) to be offered are aligned with the Local Development Plans, as evident in the list provided by the City/Municipal Mayor, and are decided upon by the RD, SDS, Division Planning Officer and the School Head concerned; c. Results of internal assessments or surveys done with the prospective enrollees; and d. List of tracks and strands to be offered, duly signed by the RD or SDS, Planning Officer and School Head.												
7. There are willing and able partners to provide sufficient venues for Immersion for all SHS learners.			a. MOA executed between the SDS and the partner entity; and												

CRITERIA	REQUIRED DOCUMENTS
	b. Immersion deployment plan.

A.2 On Establishment of Stand-Alone SHSs

1. Establishment of stand-alone SHSs shall be considered upon compliance with the criteria set under Part VI.A.2 (9) of these guidelines.
2. Priority needs of DepED for the establishment of stand-alone SHSs based on current enrolment and inventory data from the EBEIS shall also be considered. Catchment areas for JHS or IS found with a large number of enrollees based on standard classroom-student ratio and other relevant official data (e.g. distance, topography, area, presence of the SHS Voucher Program recipient school) shall be taken into consideration.
3. Cost estimates on the establishment of stand-alone SHSs to be included in the Budget Proposal per Region on a multi-year basis (e.g. over a five-year period) shall be based on the existing DepED ceilings for the construction of school buildings, creation/allocation of teaching and non-teaching items and other crucial resources. For equitable distribution of resources and due to funding constraints, the DepED Central Office shall set a budget ceiling per Region, based on actual needs.
4. Whenever resources permit and depending on the Local Development Plans of the community, the proposed stand-alone SHSs are encouraged to offer two (2) or more tracks (e.g. TVL Track plus another Track from Academic, Arts and Design, or Sports), depending on the recommendation made by the SDS and the approval of the RD; and Provided, that the criteria on the minimum enrolment set under these guidelines are met.
5. **Public SHS shall only be established on a school site duly documented as DepED property through a title or evidence of ownership or Deed of Donation or Contract of Usufruct for twenty-five (25) to fifty (50) years or other modes of acquiring ownership. Tax Declaration and Resolution issued by the LGU donating lots to DepED cannot be considered as substitute ownership document.** Procurement of school site using DepED funds shall not be allowed, except if there is a fund specifically appropriated by law for this purpose. Absolute and gratuitous donation is encouraged in acquiring school sites.
6. **Establishment of a stand-alone SHS inside the campus of an Elementary School with buildable space sufficient for six (6) or more classrooms may be allowed; Provided, that the other criteria set under these guidelines are met. The SHS shall be**

separated from the Elementary School by a wall. Both schools shall have separate main gates, furniture and fixtures, learning resources and manpower complement.

7. Clearance shall be secured from the concerned government offices prior to any establishment of a stand-alone SHS. **No stand-alone SHS shall be established on identified high-risk or disaster-prone areas** (either man-made or natural), in terms of land characteristics, which include good elevation to avoid flooding and soil erosion. The proposed school site must have good natural drainage and ready supply of safe, healthy and potable water supply.
8. Stand-alone SHSs shall be provided with permanent structures and facilities following DepED standards. Make-shift facilities of questionable structural integrity are NOT acceptable replacements. However, the temporary use of LGU facilities like covered gymnasias, barangay halls and other similar structures as classrooms for specialized subjects in Sports, Arts and Design and Technical-Vocational Tracks may be authorized provided it is included in the MOA to be drawn up by DepED with the LGU.
9. The criteria for the establishment of a stand-alone SHS and the documentary requirements are shown hereunder. (Refer to Annexes C-2 and D-2 for the Checklist and Sample Evaluation Sheet, respectively).

CRITERIA	REQUIRED DOCUMENTS
1. Stand-alone SHS to be established is an urgent need in the area to be served as indicated in the request or proposal. • Grades 11 to 12 – at least one (1) public SHS for every city or municipality	a. Letter-request from interested parties addressed to the SDS (e.g. from PTA or Barangay Council, etc.) or recommendation from the SDS to open a stand-alone SHS; b. Justification on the need to establish a stand-alone SHS; c. Track(s)/Strand(s) to be offered as well as their respective numbers of prospective enrollees; d. School Environment (environmental scanning/ situational analysis); e. Proposed Site Development Plan;

CRITERIA	REQUIRED DOCUMENTS												
	f. Proposed School Improvement Plan; g. Proposed Budget/Budgetary Requirements (to cover the proposed SHS’s crucial resources); h. SHS Implementation Plan; and i. Division Inspection Report signed by the SDS.												
2. The proposed establishment of a stand-alone SHS must be supported by the LGU, provided that if the land is acquired by DepED or a private individual, this criterion is not necessary.	Sangguniang Bayan/Panglungsod Resolution supporting the establishment of a stand-alone SHS, duly approved by the City/Municipal Mayor, indicating therein the Track(s) and Strand(s) to be offered and its proposed name.												
3. The proposed stand-alone SHS must have the following prospective minimum enrolment for the first two years of operation. <table><tr><th>School Classification</th><th>Minimum Enrolment (2 cohorts)</th><th>Minimum No. of Track(s)</th></tr><tr><td>Urban</td><td>240</td><td>2</td></tr><tr><td>Rural</td><td>160</td><td>1</td></tr><tr><td>Remote</td><td>80</td><td>1*</td></tr></table> * preferably GA Strand If the minimum enrolment and/or number of tracks are not satisfied, justification by the SDS on the need to establish stand-alone SHS is necessary. A.3 ON CONVERSION OF AN EXISTING ELEMENTARY AND JHS INTO A STAND-ALONE SHS

1. An existing Elementary School or JHS may only be converted into a stand-alone SHS when the implementation of SHS Program in existing JHS or IS or the establishment of a stand-alone SHS is not feasible, impractical or does not address the demand for SHS provision; Provided that appropriate steps have been taken to ensure the conditions enumerated below.
 - a. Learners are not denied access to Elementary and JHS education as a result of the conversion;
 - b. Prior consultation with both internal and external stakeholders is conducted for the purpose by the SDS and School Head of the concerned Elementary or JHS;
 - c. Health and safety of any learner is not compromised as a result of the conversion and subsequent transfer of Elementary and/or JHS learners, taking into consideration the distance for travel to and from the new school site; and
 - d. Affected school personnel shall not be displaced and demoted, and shall be transferred to the nearest school where their services are needed.
2. The criteria and required documents listed in Part VI.A.1 (7) together with the documents enumerated below must be satisfied by the proponent before such school may be converted into a stand-alone SHS. (Refer to Annexes C-3 and D-3 for the Checklist and Sample Evaluation Sheet, respectively).
 - a. Certification duly signed by the SDS as to the compliance to Part VI.A.3(1.a-d) conditions; and
 - b. Sangguniang Bayan/Panglungsod Resolution signifying the LGU support to said conversion, duly approved by the Municipal/City Mayor.

A.4 ON NAMING OF STAND-ALONE SHS AND RENAMING OF JHS AND IS OFFERING SHS PROGRAM

1. The naming of stand-alone SHSs shall be consistent with the provisions of DepED Order No. 29, s. 2011 entitled "Revised Guidelines on the Naming and Renaming of Schools," (Annex B); Provided, that they shall bear the words "Senior High School" (e.g. Manila Senior High School).

2. Renaming of existing JHSs and ISs that will implement the SHS Program is not necessary. However, the school must indicate the level of education after the school name to connote the curricular offerings, examples as illustrated below:

“Don Mariano High School”
(Grades 7 to12)

- or -

“Concepcion Integrated School”
(K to 12)

3. Likewise, a JHS that will not implement the SHS Program shall also indicate its level of education after its school name, such as Don Mariano High School (Grades 7 to 10).
4. Renaming of an elementary school or JHS for conversion into a stand-alone SHS shall also be done following the rules under DepED Order No. 29, s. 2011.
5. The RD shall submit to the Education Management Information System Division (EMISD), Planning Service, DepED Central Office, a valid and certified list of implementers of SHSs, whether stand-alone SHSs, existing JHSs or ISs, for record and monitoring purposes.

B. PROCEDURAL GUIDELINES

1. The SDS shall be primarily responsible for the implementation of the SHS Program in existing JHSs and ISs, establishment of stand-alone SHSs and the conversion of existing elementary and JHSs into stand-alone SHSs within the schools division, whether initiated by the School/Community/ Stakeholders, SDO, RO, or the Central Office. All requests/applications shall be received and initially evaluated at the Planning and Research Section, SDO, from January to March of the current year.
 - a. **For School and Community-/Stakeholder-initiated SHS** – the proponent/applicant shall submit the proposal together with supporting documents to the SDO. The proponent/applicant shall be accountable for the authenticity of the documents submitted. The School Head/proponent shall:
 - a.1 Work on the completion of necessary documents for submission to the Planning and Research Section, in accordance with these guidelines;

- a.2 Coordinate with the possible partner/sponsor/donor of the school site, in case of the establishment of stand-alone SHS; and
 - a.3 Submit all other necessary documents for evaluation of the Planning and Research Section.
- b. **For RO- or Central Office-initiated SHS** – the proponent shall endorse the request and the justification to the SDO. The SDO, through the Planning and Research Section, shall see to the completion of documentary and other requirements and shall comply with the procedure as enumerated under Part VI.B (1.c) of these guidelines.
 - b.1 Schools nominated for the nationwide implementation of SHS starting SY 2016-2017, whether existing JHS/IS, proposed stand-alone SHS, or ES/JHS/IS proposed for conversion as stand-alone SHS, shall fall under this category. Due to exigencies of SHS implementation timeline, said schools may be exempt from the Procedural Guidelines in Part VI.B herein, provided however, that said schools satisfy the criteria in Part VI.A. Provided further, that the DepED Central Office or pertinent DepED RO reserve the right to review the nomination/selection of all or any of the subject schools.
- c. **For SDO-initiated SHS** - From January to March of every year, the SDS, through the Planning and Research Section, shall:
 - c.1 Assess the demand/supply of SHS provision within the schools/city schools division, and perform the following:
 - c.1.1 Evaluate/assess the division's SHS provision against the demand/need;
 - c.1.2 Disseminate result of assessment to concerned schools and stakeholders and take necessary courses of action, including causing the submission of proposals from stakeholders for the implementation of the SHS Program in their localities;
 - c.1.3 Evaluate the demand for SHS of communities across the division and prioritize according to urgency or gravity of need, availability of resources, and other criteria;
 - c.1.4 Conduct feasibility study for every proposed SHS; and
 - c.1.5 Prepare budgetary requirements for crucial resources per school to be included in the Budget Proposal, on a multi-year basis (e.g. over a five-year period).

- c.2 Upon preliminary evaluation of proposals, immediately notify proponents to submit lacking documents, if any; and
- c.3 Endorse to the DREC, for further evaluation all applications with complete documents. The composition of the DREC shall be as follows:

Chair	:	Schools Division Superintendent
Co-Chair	:	Assistant Schools Division Superintendent
Members	:	One (1) SHS Coordinator or Focal Person
		One (1) Division Planning Officer
		One (1) Division Accountant and/or Division Budget Officer
		One (1) Chief Education Supervisor or Public School District Supervisor
		One (1) In-Charge of Education Facilities Section
		One (1) SDO Coordinator for Private Schools (for SHS Voucher Program)
		One (1) PTA Federation President

2. The DREC shall:

- a. Conduct on-site validation as to whether or not the existing school buildings/classrooms or plans for classrooms to be constructed are in accordance with the technical specifications stipulated in the latest DepED Educational Facilities Manual, the pertinent provisions of the National Building Code and this DepED Order. A letter of notification shall be provided by the Office of the SDS to the applicants of the action taken on their requests within fifteen (15) days upon receipt of such request;
- b. Include in its evaluation the Staffing Complement/Position Requirement Analysis, for purposes of determining the required number of teaching and non-teaching positions as well as the funding requirements for PS, MOOE and CO, **on multi-year basis (e.g. over a five-year period), without prejudice to consideration of such application for the next/succeeding school years; and**
- c. Submit recommendation, through the SDS, to the Office of the RD, through the Assistant Regional Director (ARD), on each proposal upon the completion of all requirements. The deadline for submission of recommendation shall be on June 30 of the current year. The DREC, through the SDS, shall disapprove all applications/proposals that fail to comply with the requirements; copy furnished the Planning and Research Section.

3. From July to August 31 of the current year, the documents submitted by the SDS to the Office of the RD/ARD shall then be forwarded to the RIT which shall, in turn:
 - a. Evaluate the supporting documents;
 - b. Conduct on-site inspection;
 - c. Interview local stakeholders to validate the need for SHS provision;
 - d. Review the budgetary requirements for crucial resources to be included in the Budget Proposal on a multi-year basis; and
 - e. Submit recommendation to the RD. The RIT, through the ARD, shall disapprove all applications/proposals that fail to comply with the requirements.
4. The RIT created by the RD is composed of the following officials:

Chair	:	Assistant Regional Director
Co-Chairs	:	Chief Education Program Supervisor (CEPS), Quality Assurance Division (QAD)
Members	:	Chief Administrative Officer (CAO), Administrative Division CAO, Budget and Finance Division Two (2) Education Program Supervisors (EPS) from QAD One (1) EPS from Curriculum Implementation Division One (1) In-Charge of Education Facilities Section One (1) Regional Planning Officer
5. The RD shall present the RIT's recommendation to the National MANCOM in November of the current year. The latter shall then deliberate as to which proposals will be approved and included in the DepED Budget Proposal for the succeeding year.
6. The Secretary, through the Planning Service, shall confirm the JHSs and ISS that will implement the SHS Program, the stand-alone SHSs to be established, and the existing Elementary and JHSs to be converted into SHSs, through the issuance of a DepED Memorandum, copy furnished the DBM. The Planning Service shall issue the DepED School ID to all stand-alone SHSs and existing Elementary or JHSs converted into SHSs confirmed by the Secretary.
7. The RD shall, from December 1 to 31 of the current year, finalize its DepED Budget Proposal incorporating the agreements made during the National MANCOM meeting and submit to the Budget Division, Finance Service; copy furnished the Planning Service, DepED Central Office, for review and consolidation. A Status Report of each school concerned, as validated by

Regional Policy, Planning and Research Division, shall also be submitted to Budget Division and Planning Service annually at the end of every fiscal year.

8. The Budget Division and the Planning Service shall make a summary/priority list on the establishment of stand-alone SHSs, JHSs and ISs that will implement the SHS Program for the year, with corresponding funding requirements for PS, MOOE and CO, distributed over a five-year period, and present the same to the Secretary for confirmation.

VII. MONITORING AND EVALUATION

1. The SDS shall undertake progress monitoring to ensure continuous compliance with this Order. The SDS shall submit a Division Progress Monitoring Report for the **preceding calendar year** to the RD for review and consolidation. The RD shall forward the Regional Consolidated Progress Monitoring Report **every January of the following year** to the Secretary, copy furnished the Policy Research and Development Division (PRD) and EMISD, Planning Service (for EBEIS) and Education Facilities Division (EFD), and the Administrative Service.
2. The SDS, through the Division Planning and Research Section, shall ensure submission by the School Head of the Government School Profile through the EBEIS, at the beginning and end of the school year, for efficient and effective collection and processing of relevant school-level data needed for planning, allocation of resources and generation of performance indicators.
3. The School Head shall submit the list of learners for the issuance of individual LRN and completion of the learners' details through the Learners' Information System to the Division Planning and Research Section.
4. The PRD and EFD shall conduct thorough evaluation and validation of the aforementioned status reports, and prepare a separate report on their analysis, findings and recommendations on the matter, to be submitted to the Organizational Effectiveness Division, Bureau of Human Resource and Organizational Development (OED-BHROD), which will then recommend to the Executive Committee whether this Order is to be amended, for systems improvement.
5. A periodic inventory of schools shall be made by the Division Planning and Research Section and PRD, for purposes of validating the establishment of identified schools in the GAA and EBEIS.

VIII. REPEALING CLAUSE

All provisions of DepED rules, regulations and issuances which are inconsistent with these guidelines or any part hereof are hereby repealed or modified accordingly.

IX. SEPARABILITY CLAUSE

If any provision of this Order is declared invalid, any other provision not affected thereby shall remain in force and in effect.

X. TRANSITORY PROVISIONS

1. Pursuant to Part X(1), Transitory Provisions of DepED Order No. 40, s. 2014, the moratorium on the processing of applications for conversion of a regular high school to science or technical-vocational high school shall be considered lifted upon the issuance of these guidelines; Provided, that they shall implement SHS in STEM strand or TVL Track.
2. Notwithstanding Part VI.A (2) of these guidelines, nothing shall be construed as making SHS a requirement prior to entry to college for those graduated secondary education from SY 2013 to 2014 and earlier.

XI. EFFECTIVITY

This policy shall take effect within fifteen (15) days after its publication in the Official Gazette or in two newspapers of official circulation. This shall be registered with the Office of the National Administrative Register (ONAR) at the University of the Philippines (UP) Law Center, UP Diliman, Quezon City.

REVISED GUIDELINES ON THE NAMING AND RENAMING OF SCHOOLS

To: Undersecretaries
 Assistant Secretaries
 Bureau Directors
 Regional Directors
 Directors of Services, Centers and Heads of Units
 Schools Division/City Superintendents
 Heads, Public Elementary and Secondary Schools
 All Others Concerned

1. The National Historical Commission of the Philippines (NHCP) formerly known as the National Historical Institute issues the revised guidelines (copy enclosed) on the naming and renaming of streets, public schools, plazas, buildings and other public structures for the guidance of all concerned.
2. Renaming of an annex school requires its prior separation and grant of independence from the mother school.
3. Consultation with the NHCP regarding the renaming of schools is required under Section 13 of the Local Government Code of 1991. Furthermore, only the Sangguniang Bayan may change the name of public schools and only upon the recommendation of the Local School Board (LSB) concerned (Section 13-(c)-(1) and Section 13-(e) of the same law.
4. This Order amends DepEd Order No. 12, s. 2003 entitled "Reiterating the Policy on the Renaming of Schools".
5. Immediate dissemination of and strict compliance with this Order is directed.

"EFA 2015: Karapatan ng Lahat, Pananagutan ng Lahat!"

Revised Guidelines on the Naming and Renaming of Streets, Public Schools, Plazas, Building, Bridges and other Public Structures

I. Who May Name or Rename

1. All public places may be named or renamed by the President, through a proclamation, or by Congress, through legislation.
 - 1.a. Local government units can not rename public place if the original name was created by an act of Congress or by a proclamation of the President of the Philippines;
 - 1.b. No national road, school, hospital and other national property can be named or renamed by a local government unit.
2. Public places under the jurisdiction of the local governments with the exception of barangays may be named or renamed by the local government unit concerned (e.g. a provincial road cannot be renamed by a municipal or city government)
 - 2.a. The change of name of any local government unit shall be effective only upon ratification in a plebiscite conducted for the purpose in the political unit directly affected. (Letter "f" of Sec. 13 of Local Government Code)
3. The sanggunians of component cities and municipalities may, in consultation with the National Historical Institute, change the name of streets, roads, schools, health facilities or any other public place or building within its territorial jurisdiction (see "c" Sec. 13 of Local Government Code)
4. Renaming of a public school shall be made only upon the recommendation of the local school board concerned, while those of public hospitals, health centers, and other health facilities shall be made only upon the recommendation of the local health board concerned (Letters "e" and "f" of Section 13 of Local Government Code)

II. What May Be Renamed

1. Present names of provinces, cities, towns and barangays may be renamed provided that the renaming shall be a reversion to their old names, found to be more culturally and historically significant.
2. National roads, schools, bridges, buildings, plazas and other structures can be renamed by the Office of the President or the Congress of the Philippines.
3. Public roads, schools, bridges, buildings and other structures under the jurisdiction of the local governments may be renamed by the local government unit concerned;

III. Character of Names

1. Proposed names must have historical and cultural significance and must contribute

to the positive development of national pride through the good example exhibited by the name being used.

2. Recommended names for public places should be appropriate in terms of historical value and significance to the place to be named or renamed

3. Indigenous names of roads, streets, barangays and other places should always be preserved especially if that name is unique to the place. (e.g. places named Sampaguita, Tagaytay, Kundiman, Tayuman, etc., should not be renamed).

4. Hispanized and foreign terms should be retained if they have attained a degree of historical significance and has been sanctified by usage.

5. The use of Filipino words should be encouraged in the naming or renaming of streets, plazas and other public places.

6. Names should be short and simple for practical and aesthetic reasons. However, the use of nicknames or aliases in the naming of public places should be discouraged.

7. The use of names which are complicated and confusing shall be discouraged. In cases where the name and initials are the same with other prominent personages, the full name of the person intended to be honored should be specified.

8. Schools, hospitals and other public structures named after the province or municipality are considered appropriately named and, therefore, shall not be renamed. *

9. The old name, of streets, schools, hospitals, etc., which have been sanctified by usage by the residents of the community, should be placed underneath the new name in the signage to facilitate the delivery of postal matter and serve as direct guide for people accustomed to the former names.

10. Natural features such as islands, rivers, seas, oceans, mountains, plains shall not be renamed, unless there are being reverted to their old indigenous names. *

IV. Naming/Renaming after Persons

1. Street, plaza or any public place may be named or renamed to honor a person or family who contributed to the welfare of the Filipino people.

2. Streets bearing the names of religious personalities identified with the national movement should be retained or recommended for street names as well as for other public places.

3. Public places such as those already named after presidents, national heroes cannot be replaced with names of people of lesser importance. (e.g. places named after national heroes cannot be renamed after local heroes; places named after Presidents cannot be renamed after Senators);

4. No local government units, institutions, places or buildings shall be named or renamed after a living person.

5. Roads can be named/renamed after the following:*

- a. Presidents and national heroes for primary roads;**
- b. Senators and congressmen for secondary roads; and**
- c. Local officials for tertiary roads**

6. No public place should be named or renamed after a person within ten (10) years of his death **except for highly exceptional reasons** (e.g. his death was due to assassination in the service of the country, he/she gave exceptional service to the nation, death while trying to save others, death was a result of his patriotism, and death while in performance of one's duty).

7. A change of name cannot be made unless for a justifiable reason and, in any case, not oftener than once every ten (10) years. (see letter "d" of Sec. 13 of Local Government Code)

8. In the naming of public places after people, the use of the word "memorial" should be deleted as it is already understood that the person being honored is already deceased.

9. Honorific titles like "Don," "Doña," etc., should be deleted in naming or renaming of streets, plazas and other public places for aesthetic and practical reasons.

10. To avoid confusion in the maintenance of records and delivery of postal matters the former name of the public place must always be recommended to be placed beneath the new name in the signage.

11. No public place should be named or renamed after a person when questionable propriety might arise from the said act.

IV. Historical Significance

1. No public place should be renamed if the present name has attained a degree of historical association and has developed an importance of its own.

2. Names of places, which have been sanctified by long usage by the people, shall be retained and preserved.

3. Names of public places named after foreigners or places with foreign names may be retained if these names were associated with the place and attained a degree of historical significance.

V. Aesthetic Unity

1. No street or road should be renamed if it is one of complex of related street names in one district and renaming one of them would destroy aesthetic unity.

VI. Continuity

1. No portion of a street or road may be renamed if it would tend to disrupt the continuity of its present name.

III. RECOMMENDATIONS

(For this section, please indicate the proposed location of the Recommended School Building/s and Additional Buildings by drawing them in the attached School Site Map.)

1. Recommended School Building/s

No. of Units (Building)	Recommended Type of Building*	Building footprint can be accommodated in the available space ?				Remarks
		Yes	Yes, but with demolition	Yes, but with modification in the design	No	

* Recommended Type of Building is based on needs assessment and is subject for validation if building footprint can be accommodated in the available space within the school compound. If space is not sufficient, please indicate in the remarks column the appropriate building type/s or alternate location/s where the Recommended School Building can be accommodated. If the site will require demolition of an old or condemnable structure, specify in the remarks column the type and number of buildings and classrooms to be demolished. If the site will require some modifications in the design, specify in the remarks columns the particular modifications to be made in the design of the building.

2. After identifying and confirming the appropriate sites for the Recommended School Buildings (see Item 1), please indicate other possible sites within the school compound that can be used for future construction. Cite the maximum building footprint that can be accommodated in the said location/s.
